

We're thinking about Summer 2010.

Are you?

Manlius Pebble Hill has begun the extensive process of planning for summer 2010 and we want to involve YOU in our plans. YOU are the reason we are so successful from year to year. YOU are the reason our counselors, staff and teachers want to return to teach each summer. YOU inspire us to add new classes every year. YOUR feedback helps us make improvements and changes.

So, here's the plan...

One way to save money is to cut back on material costs (without sacrificing quality). We'll do our part by having teachers bring in from home what they can spare at their own expense. Our MPH community of families will donate items of need as well. Additionally, we're hoping all our MPH summer families may be able to donate items mentioned on our LIST.

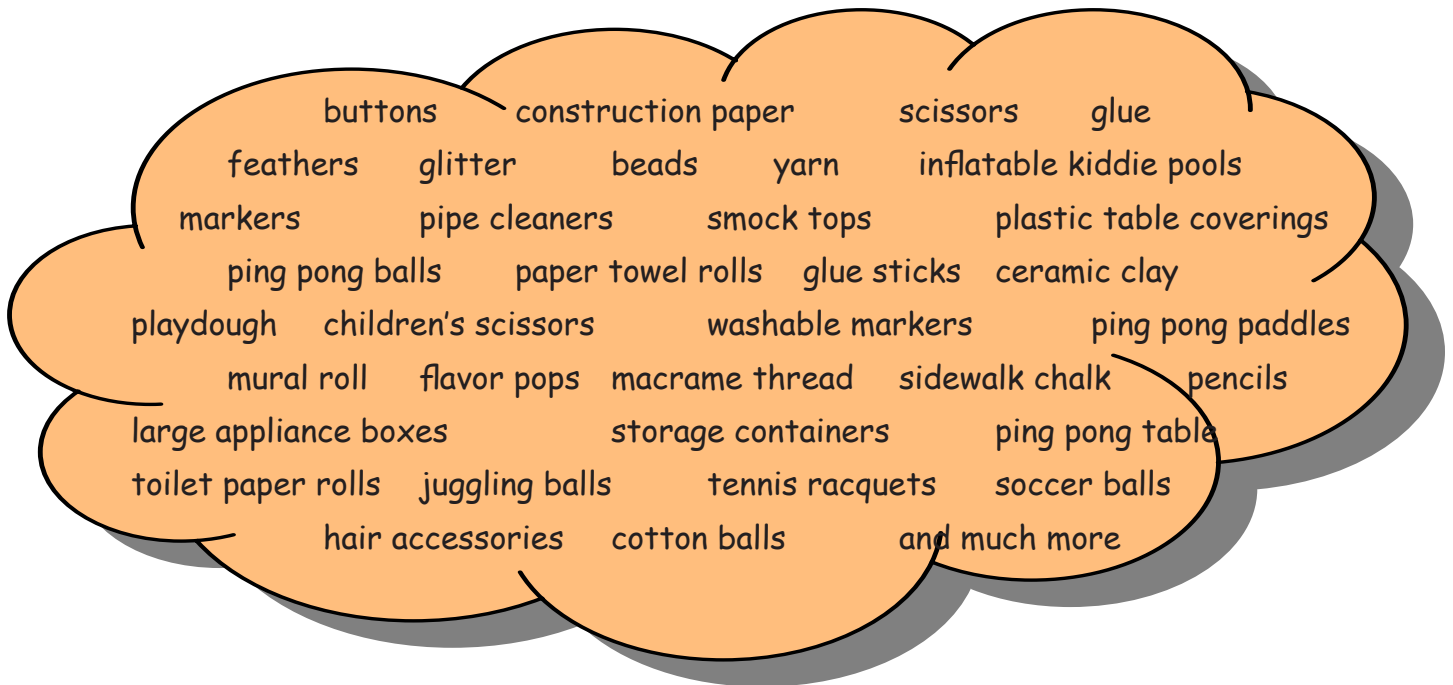

What list?

Since most of our expenses are material costs for classes, we're including a list of household items that we can accept as a donation. As a not-for-profit institution, MPH will accept donations that can be used and will provide a receipt so that families may receive credit on their taxes.

\$Bonus\$

As a bonus, each donating family will be placed in our drawing for one free week of summer programs. One winning family will be chosen. All donations must be received by May 1 in order to qualify for the drawing.

Flip this sheet over to see WHAT WE NEED.

WHAT WE NEED

Large items can be arranged to be picked up.
Small items can be brought to the school or mailed. A blank receipt for in-kind donations will be provided for tax purposes. Donors will be responsible for placing a value on donations. Feel free to call us in the Summer Programs office for more information.
