Manlius Pebble Hill's Driver Education Program

The Course

Classes begin Saturday, January 30, 2009. This 15-week course is regulated and approved through the NYS Department of Motor Vehicles fulfilling all Driver Education requirements of the State. Please recognize that this course demands a lot of time from your son/daughter and yourself. Please take into consideration your entire winter/spring schedule before committing to this course and the extra workload.

Requirements

Students who are 16 by the first week of the program, and who possess a valid driving permit are eligible to take the course. Driver Education classes at Manlius Pebble Hill School, Fayetteville-Manlius High School, and Chittenango High School consist of 24 hours of classroom instruction, covering all phases of driving techniques and rules. Students are instructed in 2008 Chevy Impalas, equipped with automatic transmissions, dual-control brakes, auxiliary mirrors and standard safety equipment. Six (6) hours of actual behind-the-wheel driving and 18 hours of in-car driving observation are also required. Students meet a total of 3 hours per week in the winter/spring, split into one 90 minute session in-car and one 90 minute session in the classroom. There are various Saturday morning and weekday evening required elements to this course. See your class schedule for details. This will be mailed with confirmation materials.

Fayetteville-Manlius and Chittenango students are given priority placement in classes at their own schools.

Those accepted into the course will be notified by mail of the instructor's name, class meeting time and room location in mid January.

Class Times

Classroom instruction as well as driving instruction is scheduled once a week for 1-1/2 hours each. This is a 3 hour per week commitment.

Drive Times

**Submitted registration forms will be numbered which will indicate the order in which students will be called for drive times.*

Flexible Scheduling

Administrators make every effort to schedule driving times that accommodate the students' particular schedules. Limited make-ups can also be arranged directly through the instructor if prior notice is given. Students are encouraged to communicate schedule needs with the instructor directly.
