Manlius Pebble Hill's Driver Education Program

The Course

Classes begin Saturday, January 28, 2012. This 15-week course is regulated and approved through the NYS Department of Motor Vehicles fulfilling all Driver Education requirements of the State. Please recognize that this course demands a lot of time from your son/daughter and yourself. Please take into consideration your entire winter/spring schedule before committing to this course and the extra workload.

Requirements

Students who are 16 by the first week of the program, and who possess a valid driving permit are eligible to take the course. Driver Education classes at Manlius Pebble Hill School, Fayetteville-Manlius High School, and Chittenango High School consist of 24 hours of classroom instruction, covering all phases of driving techniques and rules. Students are instructed in 2011 Toyota Camrys, equipped with automatic transmissions, dual-control brakes, auxiliary mirrors and standard safety equipment. Six (6) hours of actual behind-the-wheel driving and 18 hours of in-car driving observation are also required. Students meet a total of 3 hours per week in the winter/spring, split into one 90 minute session in-car and one 90 minute session in the classroom. There are various Saturday morning and weekday evening required elements to this course. See your class schedule for details. This will be mailed with confirmation materials.

Additional Course Requirements

(some Saturdays, some evenings)

These special classes meet on various weekday afternoons, evenings and Saturday mornings throughout the winter/spring. Please refer to your class schedule for specific dates.

Conflicts should be brought to the instructor's attention by the 1st or 2nd week of class.

- No Zone Safety Day
- Sheriff Slide Show
- Town Court Visit
- Rural/Metro Rescue Presentation
- DWI Night

Those completing the course receive an insurance certificate and Student Certificate of Completion (MV285) from the Department of Motor Vehicles, entitling the student to receive a night license at age 17.

The Instructors

Instruction is provided by (4) four qualified and experienced state-licensed and certified Driver Education instructors. All instructors bring over 30 total years of driving instruction experience to the program. MPH is proud to maintain that level of expertise.

Class Times

Classroom instruction as well as driving instruction is scheduled once a week for 1-1/2 hours each. This is a 3 hour per week commitment.

Fees

The semester-long course is offered for \$485 (textbook included). Checks should be made payable to Manlius Pebble Hill School. Full payment is due by January, 20, 2012. Payment plans are available and may be requested. (Certificates will not be released until final balance is paid in full.)

Refunds

Full refunds will be made to students who cannot be accommodated in the class of their choice due to space limitations. Registrations will be refunded until Friday, January 20, except for a \$50 administrative fee. Deposits and full payments will not be refunded for course withdrawals after Friday, January 20. Withdrawals prior to the deadline are allowed. Money can be held for priority registration into the next semester, but the deposit is lost. The balance plus a \$25 fee will be required for priority re-registration. Families who opt to have their money refunded (minus deposit) will begin the registration process without priority placement.

Registration

Admission to the MPH Driver Education Program is on a first-come, first-served basis, with receipt of the completed application form and a deposit of \$242.50 determining placement.

Fayetteville-Manlius and Chittenango students are given priority placement in classes at their own schools.

Those accepted into the course will receive an email confirmation following registration online. A full packet of information with the instructor's name, class meeting time, car assignment, and room location will follow by mail two weeks prior to the start of the program.

Drive Times

Times for behind-the-wheel driving and driving observation are scheduled online at the time of your registration. If you experience any problems, we can manage the online reservation for you. Please call Rebecca or Martha. Afternoon and evening drives are available.

Flexible Scheduling

Administrators make every effort to schedule driving times that accommodate the students' particular schedules. Limited make-ups can also be arranged directly through the instructor if prior notice is given. Students are encouraged to communicate schedule needs with the instructor directly. An additional charge for make-ups may be necessary if drives cannot be arranged within the instructor's set driving schedule during the course of the term.
