It's that time of year again.

## Enroll in MPH's **F**ebruary **V**acation **P**rogram!

This **five-day program**, is designed to offer children a variety of activities all day long, while parents can rest assured that they are safe, having fun, meeting new playmates, and **learning** new things.

Children are offered **numerous** craft projects and enjoy guest presenters, special shows, and a field trip off campus.

MPH believes that children learn and thrive from a variety of indoor as well as

**outdoor** activities while interacting with other age groups.

Students 5 to 11 years old (Grades K - 5) **come together** from all over

Onondaga County for a little change of pace. With **access** to the Center for Early

Learning and gymnasium, your child will be happy, busy, and engaged **all day** long.

Heading the program are qualified teachers and professional **caregivers** for this

age group. Additional staff and/or student assistants are hired for **field trip** days in order to keep the student-teacher ratio low.

Register for one day...or come for all five. Return the registration form today to reserve

your spot. For **more information**, call Rebecca Rhody at 446-2452, ext. 140 or e-mail her at rrhody@mph.net.

To register, go to [www.mph.net](http://www.mph.net) and click on **Community Programs**.
