We have carefully compiled this Annual Report with the hope of correctly listing all donors for the 2009-2010 school year. If there is an error, we apologize and ask that you notify Susan Leahey, director of annual giving, at 315/446-2452, ext. 112.

A Message from the President of the Board

On behalf of the MPH Board of Trustees, I would like to thank all of you whose names appear in this report. Your generosity goes far in enabling Manlius Pebble Hill to carry out its mission. Over the 12 years that I have been associated with MPH, I have been privileged to spend time with many passionate supporters of the school – parents, friends, alumni, and students – and all continue to tell me how strongly MPH has impacted their lives.

Parents comment on the safe learning environment and the School's mission of pursuing academic excellence. They are grateful for the fact their children go on to excel in college and credit MPH with giving them the critical thinking and time management skills that allow them to succeed in college and career. Friends of MPH marvel at the School's diversity and at the accomplishments of our students. They are impressed by the number of our graduates who complete college within four years, something that is becoming increasingly uncommon.

Alumni remark on the ways the School influenced their current lives, often recalling a particular teacher who inspired them or their shared friendships with classmates. Many have told me that their successes in life are due in large measure to their experience at MPH or Manlius or Pebble Hill. Current students benefit greatly from the culture and diversity of MPH and they appreciate a learning environment in which their teachers genuinely celebrate their accomplishments and know them well enough to notice when they are having a bad day. Students care about each other, too – not just in their own grade, but across grades and divisions. Our School is truly a community in which friendships last a lifetime.

I have watched over the years as alumni of Manlius, Pebble Hill, and MPH come together at the annual clambake. I am always touched by their joy at greeting classmates or teachers they have not seen in many years and, listening to their reminiscences, I am always amazed by how quickly that time apart melts away as memories flow and connections are reestablished.

We are closing in on our goal of building a new library media center. That building will enhance our curriculum and provide a space that will greatly facilitate learning. It will be a very proud day, indeed, for members of the MPH community to be a part of the ground breaking ceremony for our new facility. I hope that you will be able to say your generous contribution helped make this vision a reality.

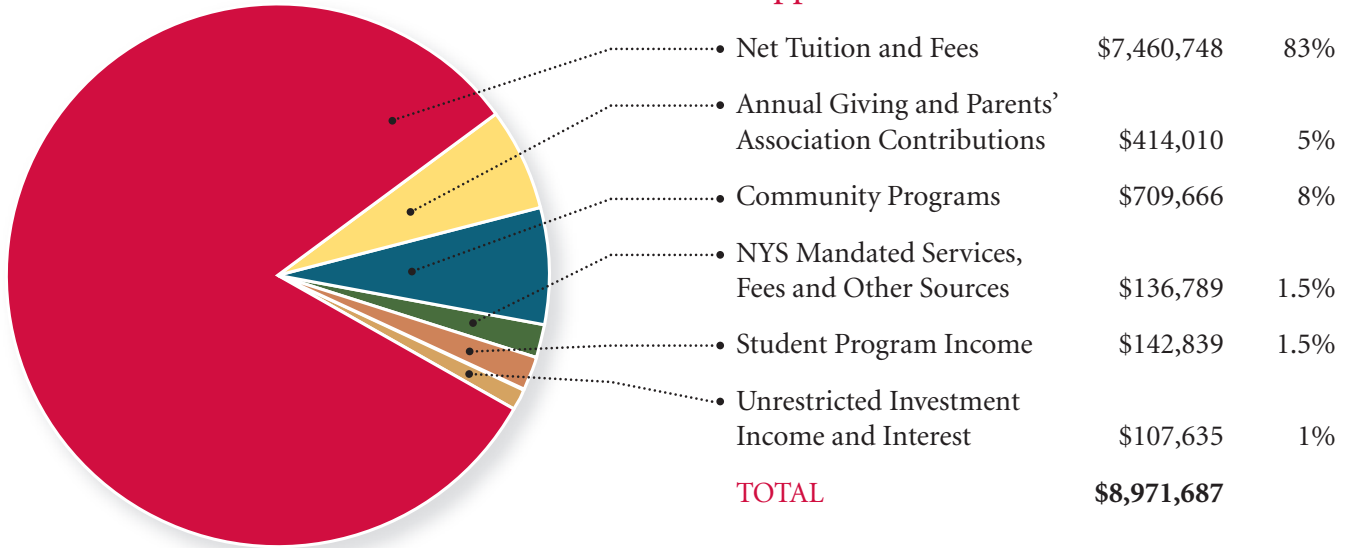

My heartfelt thanks to each of you whose contributions support Manlius Pebble Hill's ability to provide what I firmly believe is the finest education in Central New York and beyond.

– George Urist

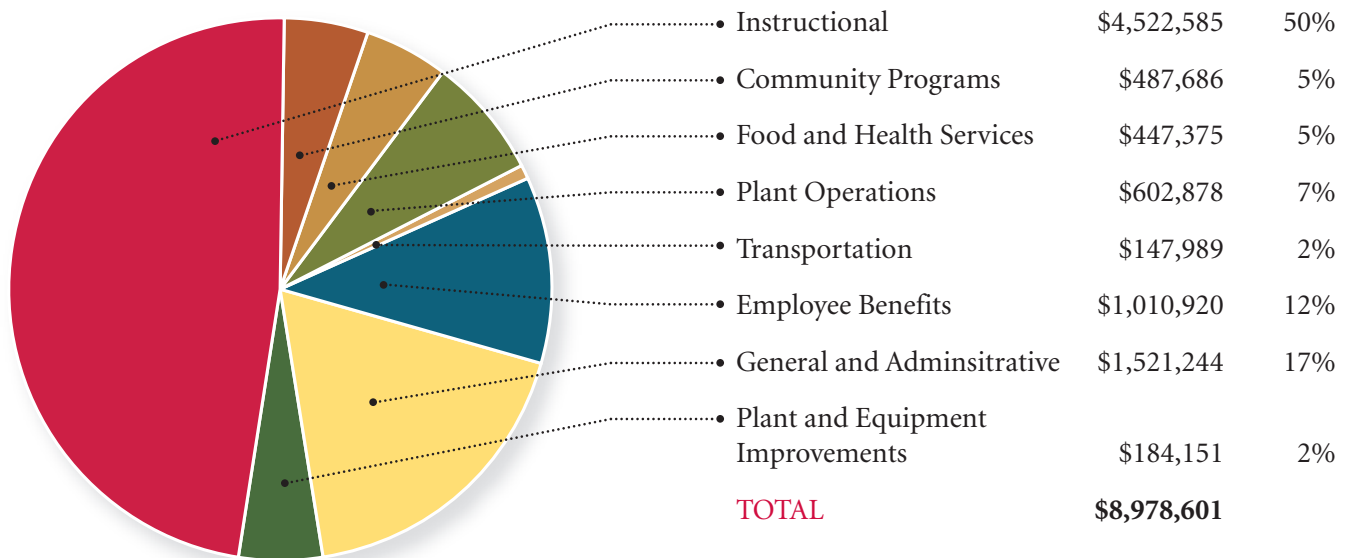

Financial Summary

July 1, 2009 - June 30, 2010

Support and Revenue

Expenditures

The Manlius Pebble Hill Endowment Fund

Throughout the School's history, we have been fortunate in receiving generous support from individuals, families, and foundations whose gifts make up Manlius Pebble Hill's growing Endowment Fund, which currently stands at just under \$4.5 million. The growth from last year is due in large part because MPH was the recipient of a \$2 million Malone Family Foundation grant as noted in the description listed on page 7.

The School's Board of Trustees oversees the investment of monies in the Endowment Fund, interest from which is used to support named scholarships. At present, our Endowment is small by private school

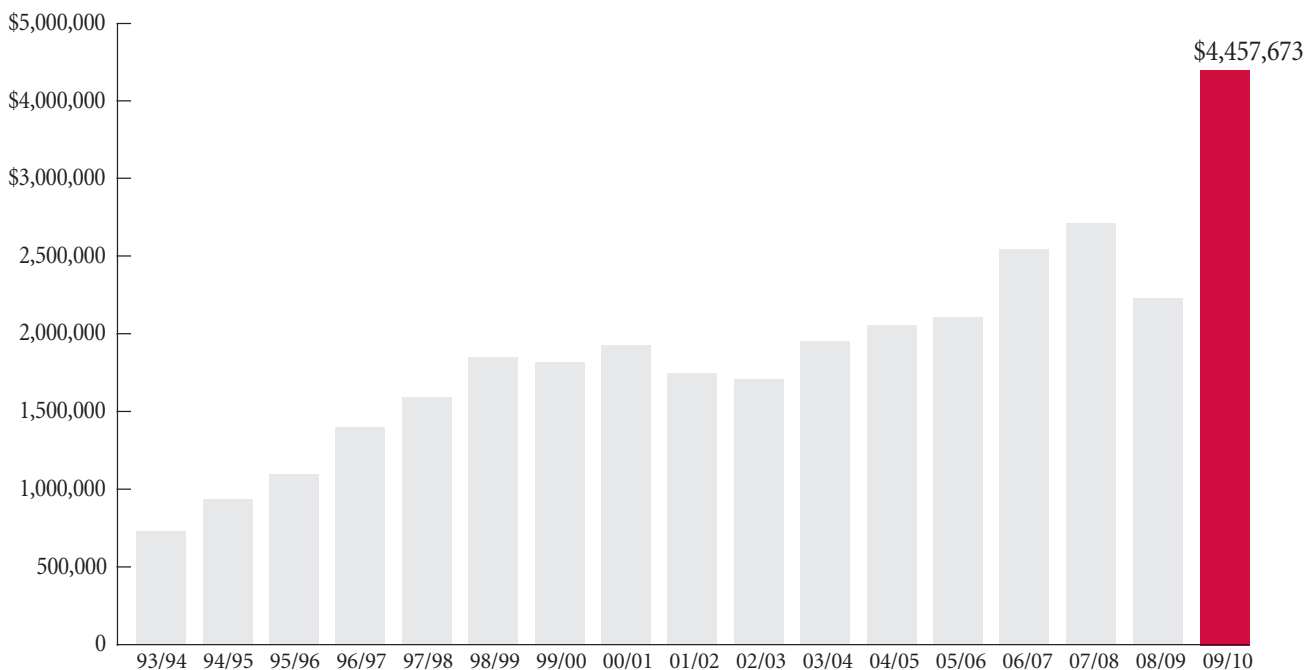

standards that suggest an endowment at least three times a school's operating budget – for MPH, an endowment of \$27 million. Recognizing that it is crucial to grow our Endowment Fund, the Board of Trustees has earmarked \$2 million of the ongoing \$6 million capital campaign specifically for the Endowment. It is the Endowment that will protect the School in the event of an unforeseen catastrophic event or emergency situation. It is what will ensure that the School continues as a vital educational institution for future generations of students.

Within the Endowment, there are numerous individual funds, whose descriptions are on the following pages.

Many of these funds were initiated in the 1970s and 1980s upon the retirement or passing of former faculty, alumni, or friends. In some cases, we are unable to ascertain from old records the exact amount of the gifts made to establish a particular fund.

A brief description of each of the named funds follows, along with the total amount of accumulated capital for each. We have also recognized any new donations made in the 2009-2010 year. For information about naming an endowed fund or contributing to an existing fund, please contact Tina Morgan, director of development, at 315/446-2452, ext. 124.

Endowment and Investment Fund Growth

General Endowment Fund

A gift to the endowment is a great way to insure that future students continue to benefit from the MPH educational experience. To name a scholarship fund, our current policy dictates a minimum contribution of \$100,000 for a full scholarship or \$50,000 for a half scholarship. This endowed gift insures that funds are available for the scholarship in perpetuity.

General Memorial Fund

Gifts to the General Memorial Fund honor friends and loved ones, and provide lasting support to future generations of Manlius Pebble Hill students.

Malone Family Foundation Scholarship

In May of 2010, Manlius Pebble Hill School was awarded a \$2 million endowment grant by the Colorado-based Malone Family Foundation. The grant will be used exclusively to provide scholarships to new students in Grades 7 – 12 who are in the top five percent of their class and in need of financial assistance.

The first school in New York State ever to receive a grant from the Malone Family Foundation, MPH immediately put that funding to work, offering a scholarship to a bright, talented young woman without the financial resources to afford an independent school education. The School's first Malone scholar this fall joined Manlius Pebble Hill's Ninth Grade.

Grant monies will be invested so that Malone scholarships, which will grow in number in succeeding years, may continue to be awarded in perpetuity. The Malone scholarship program is additional to the School's existing Crosby merit scholarship program and to the more than \$1 million Manlius Pebble Hill provides annually in need-based tuition grants.

Pledges to Our Promise to the Future:

A Campaign for Manlius Pebble Hill School

MPH's current capital campaign has a goal of raising \$6 million. As of June 30, 2010 just under \$4 million has been raised in pledges, making this the most successful capital campaign in the School's history. To date, the Laurie Mezzalingua '86 Center for Early Learning was constructed with \$2 million, \$2 million will fund construction of a library media center, and \$2 million will be added to the School's endowment.

Efforts are underway to educate each member of the MPH community on the importance of the capital campaign and enlist support in reaching our goal. Listed below are the generous friends of the School who have already made a pledge to the campaign. If you would like to have your name included in this list, please call Tina Morgan, director of development, at 315/446-2452, ext. 124.
